### **Quote**

*SDBJ is pleased to support Vior's mining exploration activities in James Bay. Our investment will help finance Vior's work on its Skyfall property, located some 100 km south of Chapais in the eastern part of the Urban-Barry belt, which contains a number of gold deposits, including Osisko's Windfall and Bonterra's Gladiator projects. We hope that this work will help develop this still little-known sector of the belt.*
